

AMENDMENTS TO THE DRAWINGS

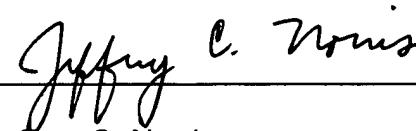

The attached sheet of drawings includes changes to Figure 3. This sheet, which includes Figures 1-4, is labeled "Replacement Sheet" and replaces the original sheets including Figures 1-4. Figure 3 has been amended to change reference number 40 to reference number 35 and to change reference number 42 to reference number 37.

REMARKS

The Applicant respectfully requests that the Examiner enter the above amendments and consider the following remarks. The amendments have been submitted with the payment of the issue fee. In particular, the specification (i.e., the Description and Drawings) has been amended to correct an informality. During the process of preparing the formal drawings, it was noticed that Figures 3 and 4 contain duplicate reference numbers. Accordingly, Figure 3 has been amended to change reference number 40 to reference number 35 and to change reference number 42 to reference number 37. The description has also been amended to reflect these changes. No new matter has been added. Accordingly, the Applicant respectfully requests that the amendment be approved and entered without withdrawing the application from issue.

Respectfully submitted,

Date: 12/27/04
